

LED WRAP AROUND FIXTURE

The Iconic LED 4' Wrap Around Fixture is constructed of steel that has been powder coated white. It features an acrylic lens over energy efficient LED strips. This light can be used for residential, and commercial applications replacing fluorescent wrap around fixtures. This fixture can be used for new construction or retrofits.

Model Number	Wattage	Replaces in Fluorescent	CCT (K)	Lumens	Efficacy (lm/W)	Input Voltage	CRI	Power Factor	Beam Angle	Dimma-ble
